Dear Members of the Haverhill Business Community,

We are Haverhill Youth Football, Inc., and our mission is to teach life lessons through football. We have secured a group of dedicated volunteers and members of our community who strive to instill a sense of pride and dedication in the kids of Haverhill as we build relationships with them and act as role models through the game of football.

We are dedicated to starting a youth football program (Travel Team) for middle school student/athletes after the city league folded this past year. We have a population of players comprised of 60-70% at-risk youth. We have old equipment we may or may not be able to use from the city. We have ragged game jerseys. We have an estimated fifty to sixty kids who want to play. We need to outfit them in protective gear and would like to provide them with jerseys that make them feel like they are part of something.

The funds we are asking for will go to things we cannot possibly ask an individual in this community to buy on their own. We are asking for a partner in this effort, someone who will not only work with us but support us as we move forward for the youth of Haverhill. We are going to make a positive impact on the lives of these kids in a nurturing and cultivating manner and we are asking for your help. Donations of any amount help defray some of the start-up costs of a new non-profit.

Here are a few examples of items we are looking for help with for the 2019 season:

Protective equipment

- Helmets/shoulder pads

Practice Gear

- Practice Shirt/pants

Game jerseys

- New game shirts that fit the players appropriately. Unlike the ones they used last year that were from 2008

Monetary help with league dues, league insurance, and maintaining the team's new website

Sponsor a player

- We will work to raise funds to allow as many kids as possible the opportunity to play who can't afford to, to make sure money alone is not a barrier to entry

Will you join us? Will you help us provide an opportunity for kids in this community to learn valuable life lessons from role models who are dedicated, enthusiastic, and willing to serve?
